Who We Are

Make a smart musical investment when you use our recording studio. At Glenn Johnson Studio LLC in Winterville, North Carolina, we provide vocal recording and photography services to help you sound and look amazing. As a premier in-home studio, our goal is to provide the very best in production and distribution, with a top-notch staff. We offer affordable prices without sacrificing quality. If you would like another studio to mix your music, we're happy to provide recommendations.

Live performances, singers, dancers and actors. Provided by Future Entertainment of Greenville, NC (Diontae Columbus, phone:252-227-3398)
Additional support for live event and live sound provided by Track One Productions.

(JP) John Parker is located in New Bern, North Carolina

Convenient Home Recording Studio & Audio Mastering

recording-studio-north-carolina Pay significantly less to use our exceptional home recording studio and audio mastering services. At Glenn Johnson Studio LLC in Winterville, North Carolina, you only pay us \$30 per hour, or \$300 for an entire day. ***Studio- price changes coming soon 2017/2018*** Other companies' rates are upwards of \$50 per hour. But don't fret! Just because we have low prices, doesn't mean we sacrifice quality. Now Available, Glenn E. Johnson Music. Vocal Recording

When you schedule to use our studio for the full day, we begin at nine in the morning. To ensure your satisfaction, we don't stop or close up shop until you are finished. Producers available, Mark Burrus, Diontae Columbus, and Herman (AICH) Williams for Beats and Instrumentals.

Vernon Garrison (Garrison Melody) – Artist, Song Writer, Producer
(Beats and Instrumentals)

Casey Manning (Beats and Instrumentals)

Afterwards, we go through your music and make edits to guarantee high quality. Once the editing process is complete, we do slight audio mastering. In a few days, you will receive your CD from our own manufacturing facility.

Other Recording Options

We recommend using mixing services from Retro City Studio in Philadelphia, Pennsylvania or Daniel Faber at Zac Recording in Atlanta, Georgia at d2@d2producer.com. While they may have steeper prices than us, both studios can fully edit your recordings, making them ready for shelves.

We also recommend the experienced mastering services at Disc Makers™ in Pennsauken New Jersey. They make your demo or CD's retail ready. They master, produce, and design your album so that you can sell your music on CD Baby™, Amazon™, and iTunes™.

Contact us to get to the next level with our audio mastering and home recording studio.
